I. BASIS OF ASSESSMENT OF MEMBER STATES' CONTRIBUTIONS TO UNOMIG FOR THE PERIOD FROM 1 JULY TO 21 SEPTEMBER 1994

A. Period from 1 to 21 July 1994

1. By its resolution 48/256 of 26 May 1994, the General Assembly authorized the Secretary-General "to enter into commitments for the operation of the Observer Mission at a rate not to exceed $334,200 gross ($313,000 net) per month for the period from 1 July to 31 October 1994, should the Security Council decide to continue the Observer Mission beyond 30 June 1994 and subject to the prior concurrence of the Advisory Committee for the actual level of commitments to be entered into for the period, the said amount to be apportioned among Member States in accordance with the scheme set out in the present resolution".

2. By its resolution 934 (1994) of 30 June 1994, the Security Council decided to extend until 21 July 1994 the existing mandate of the United Nations Observer Mission in Georgia (UNOMIG). By a letter dated 15 July 1994, the Advisory Committee on Administrative and Budgetary Questions (ACABQ) gave its concurrence for entering into commitments for UNOMIG in the amount of $226,400 gross ($212,000 net) for the period from 1 to 21 July 1994.

3. The amount so authorized was apportioned among Member States in accordance with the provisions laid out in section I.C below and is shown in section IV.

B. Period from 22 July to 21 September 1994

4. By the same letter of 15 July 1994, ACABQ gave its concurrence for entering into commitments for UNOMIG for a period of two months until 21 September 1994 in the amount of $1,110,400 gross ($1,040,000 net) under the authority granted in General Assembly resolution 48/256, should the Security Council extend the mandate of UNOMIG beyond 21 July 1994. By its resolution 937 (1994) of 21 July 1994, the Council decided to extend the mandate of UNOMIG to 13 January 1995.

5. The amount so authorized was apportioned among Member States in accordance with the provisions laid out in section I.C below and is shown in section V.

C. Apportionment of the costs of peace-keeping operations

6. On 11 December 1973, the General Assembly adopted resolution 3101 (XXVIII) on the financing of the United Nations Emergency Force (UNEF II). Under the resolution, the membership of the United Nations was divided into four groups: (a) the States permanent members of the Security Council; (b) specifically named economically developed Member States that were not permanent members of the Security Council; (c) economically less developed Member States; and (d) economically less developed Member States that were specifically named. The resolution also specified the amounts of the total appropriation to be distributed among each of the four groups.

7. The four amounts specified in the resolution were established by a methodology intended to produce the following results: the Member States in group (d) would pay 10 per cent of the assessment rates established for the regular budget, those in group (c) would pay 20 per cent, those in group (b) would pay 100 per cent and those in group (a) would pay 100 per cent plus the amounts not otherwise apportioned.

8. Within each group, according to the terms of resolution 3101 (XXVIII), the amount appropriated was to be distributed among the respective group members on the basis of the relative weight of each group member's regular rate of assessment in relation to the total rate for the group.

9. The scheme for the apportionment of costs set out in resolution 3101 (XXVIII) has continued to be applied since that time for all peace-keeping operations financed through assessed contributions, including UNOMIG. However, the composition of the four groups of Member States has changed repeatedly since 1973 as a result of the admission of 52 new Member States, including 6 new Member States in 1993, and the decisions contained in various General Assembly resolutions, the latest of which is resolution 43/232 of 1 March 1989, as adjusted by resolutions 44/192 B of 21 December 1989, 45/269 of 27 August 1991, 46/198 A of 20 December 1991 and 47/218 of 23 December 1992 and Assembly decision 48/472 of 23 December 1993. The percentage shares shown in sections IV and V below demonstrate the results of the application of the scheme, using the scale of assessments for the period 1992-1994, adopted by the Assembly in its resolution 46/221 A of 20 December 1991 and adjusted in accordance with its decision 47/456 of 23 December 1992 and its resolution 48/223 A of 23 December 1993.
